Student # _____

Current Grade _____

In the best interest of the student, it has been determined they will complete their education/graduation requirements at Polaris High School. Polaris offers the following opportunities:

- 24 credit diploma (4 fewer electives)
- 9.25 credits earned per school year
- NC (No Credit) grade recovery from Alpine District schools
- 8 mini-terms (shorter grading periods)

For these reasons, all parties agree this is a permanent placement and the student will not return to any Alpine District traditional high school.
