

# ATEC Community Council Meeting Notes

October 28, 2015

## Attendees:

John Hughes (Principal)  
Debbie Kirk (Chair)  
Bethany Kirk (Student)  
RaNae Hansen (Parent)

Taylor Foulger (teacher, secretary)  
Jaime Alomia (Parent)

## Meeting Notes:

1. Introductions
2. Review September's Minutes. Minutes approved by unanimous vote.
3. **Discussed current 2015-2016 School Improvement Plan** and the plan to purchase an additional ipad for new teacher for video modeling,
4. Purchase of life centered education curriculum licenses. Training still needed.
5. Discussed purchasing library books, and desktop computers for library.
6. Sensory room equipment ideas: balance board (OT & PT), balance bar for support, floor pads, Wii fit, vision training boards (light up), treadmill, weighted jacket smaller size.
7. **Internet Safety** handout to read over. Part of new school improvement plan. Net Safety training for school.
8. **ATEC Transition Skills Inventory**- obtaining employment is lowest area in all classes in the school. Finding ways to help students and parents find jobs that fit them. Gaining skills for obtaining employment.
9. Parents would like step-by-step help and training getting their child ready for when they age out at 22. Overwhelming amounts of information are given and more guided help would be nice. Provider night in February to help with this. **\*\*Make sure we have a benefits planner give training on working and benefits during provider night. \*\*** Social Security should be a whole separate night.
10. Parent network list gathered by a parent.
11. Meeting adjourned, all approved.

## Items to Discuss in NEXT meeting (November 11, @ 6:30 PM):

1. Mr. Hughes brings Transition Skills Inventory totals for next time.
