**(P) = There is a prerequisite for this class. Contact the teacher for more information.**

**If a student drops one of these classes, they MUST NOTIFY the PG Concurrent Enrollment Coordinator, Charlotte Elsey, immediately, or they will receive a UW (F) on their college transcript, if not properly dropped from the course.**

Concurrent Enrollment Classes are for Juniors and Seniors.

Sophomores may take Concurrent Enrollment classes with approval from UVU's Concurrent Enrollment department. To be considered as a student, ACT, PLAN, Explore or Accuplacer Test Scores are to be turned in with a Sophomore by Exception Form and high school transcript.

Concurrent Enrollment courses give you high school and college credit at the same time. Students receive the credit/grades at the end of the school year for the year long classes. Grades for semester classes are received at the end of each semester. Grades earned will show on the high school report cards and will also generate an official college transcript.

**REMEMBER COLLEGE GRADES ARE PERMANENT.**

**Concurrent Enrollment Information and forms can be found in Rooms 120 and 129.**
